The newly reorganized Walking Village held its inaugural meeting on Tuesday October 29 and struck its first board of directors.

Chair – David Turner

Vice Chair – Rhonda Iadinardi

Treasurer – Rob Fawcett

Secretary – Stefani Bernard

Directors at Large: Jon Gillette, Mary Ferguson, Geraldine Robinson, Julie Reitzel

Walking Village founder Barbara MacKay will act as a non-voting administrator to the board.

“Anyone who is interested in belonging to the steering committee is welcome to attend meetings and champion projects that support the mission of the Walking Village,” Chair David Turner says.

The new board met to establish its structure, and discuss funding and projects. “The Walking Village would like to hold more themed walks, such as the popular Priceville Heritage Walk and the Flesherton Foraging Walk,” Turner says. “We will also be approaching the Municipality of Grey Highlands to talk with them about making walking safer throughout the municipality, for example with lighting and sidewalks.”
